D. Michael Lindsay

“Anybody who wants to understand the nexus between God and power in modern America should start here.”
—*The Economist*

Rice University
Scholar D. Michael
Lindsay examines the
rise of the evangelical
Christian influence in
the spheres of power in
American Life:
Political, intellectual,
cultural and economic.

Faith in the Halls of Power

How Evangelicals joined the American Elite

Lecture & book signing
7 p.m. Thursday, March 6, 2008
Room 115, Cornell Hall
(next to Reynolds Alumni Center)
University of Missouri-Columbia
campus.
